Skills

I am employed in the Plumbing trade but I am looking to find work in a developed economy. As a future tradesman, I would like to gain experience from an open and global economy because of the work ethics, professionalism, competitiveness and innovation. And, it will be an open opportunity for me to further my studies at one of the world's leading universities or colleges.

As skills, I am a Plumber, Retail Merchandiser, Painter, Entry Level Tiler, Cleaner, Front-end Web designer and General worker.
